

May 8<sup>th</sup>, 2017

Dear Parent or Guardian,

Schools across Prince Edward Island are participating in the OurSCHOOL Survey program. Surveys will run the first 3 weeks of May.

The information collected through this survey will provide current information about our school and learning, will help us to inform our school goals, identify successes and areas for improvement, inform policies and programs, and share results with parents and the community.

The OurSCHOOL Survey, developed by The Learning Bar, includes on-line surveys for students in Grades 4 to 6, students in Grades 7 to 12, parents/guardians, and teachers. You will receive more information about accessing the Parent/Guardian Survey in the coming days.

The Student Survey takes about 40 minutes to complete and will be administered during class time. Your child's responses will remain completely confidential and anonymous as their responses go directly to The Learning Bar.

Results will be used only for the purpose of achieving goals in our school and the PEI education system. The information is collected under Section 31 of the *Freedom of Information and Protection of Privacy Act* and under Section 3.1(c) of the *Education Act*.

For more information about the OurSCHOOL Student Survey, please visit The Learning Bar Inc.'s website: [www.thelearningbar.com](http://www.thelearningbar.com).

Should you have any questions about the survey, you may contact K.J. White, our school principal at 902-368-6970.

Sincerely,

K.J. White  
Principal  
Queen Charlotte Intermediate
